Volunteers must be 16 or older.

### Our Mission

East African Community Services (EACS) is dedicated to improving the well-being and quality of life for East African youth and their families in Seattle. We provide tools to adjust to life in the United States, preserve diverse cultural heritages, and participate in broad and integrated community

### Your Goals

You want to make a difference., change the world, create opportunities where there weren't any before. Here's your chance! Refugee and immigrant youth are often placed in grade levels that are age appropriate but not necessarily education appropriate. Help them get on the right track to a better future through tutoring.
